

## 2019 – Year of the Latter Rain Declarations

*I declare that Healing is my inheritance and in Jesus' name, I expect to see wholeness in my life.*

*God, I declare an outpouring of Your Favor and Anointing on my life. No matter where I go, Your Presence will go with me and help me succeed.*

*I declare and believe strained relationships in my family are restored. May unity, grace, and peace overflow, in Jesus' name!*

*I declare that my God is more powerful than the principalities and powers that have tried to rob me. The fight is over! I believe the best days and years of my life are before me now!*
